

## TOP TEN NATIONAL PARTNERS

Identify below the Top Ten people who:

1. Need to hear about your national vision and strategy, and
2. With your encouragement and genuine ministry could become financial “anchors” to the national work.

Some may be friends already; some may be acquaintances or even strangers. They might be giving heavily or not at all. Do not ask, “Will they give?” Ask, “Who needs to hear what God is doing today is this nation through our discipling ministry?”
